NOVEMBER 2020

Welcome Our 1st Baby Born

Congratulations to new parents who welcomed their beautiful baby girl, was named the 1st Tehama County Baby Born during 2020 National 4-H Week. This was the eighth year the Tehama County 4-H Program has held this celebration! Community and 4-H members around Tehama County made donations to the giant gift basket given to this deserving family. This new family finds all of the gifts very useful and thank you to everyone who donated! And thank you to Makaylie Cook for helping collect donations, publicize the event and joining us in welcoming our 4-H Baby for 2020!

Bowman 4-H

On October 6th we had our first Bowman 4-H meeting at the Cottonwood Community Center. This was lead by President Emalee, Vice President Austin, Treasurer Derek and Secretary Natalee. Our meeting was also virtual for members at home. The flag salute and 4-H pledge was lead by Reporter Aiden and Sargent at Arms Royce. We talked a lot about record books and requirements for the 4-H year. Then we talked about the virtual fair and how it worked for people. For recreation we had fun standing in a huge circle outside on the lawn and introducing ourselves. We also talked about our next meeting and how it will be virtual and a link will be sent out and put on Facebook soon so that we maintain social distance. We would still like to do our monthly community service as a club so be on the look out for more details on how you can donate canned food for next months meeting. All of the information for our next meeting will be posted on our Facebook page so please like our page to be kept up to date on all things Bowman 4-H. Our next meeting will be Nov. 3rd.

Countywide Projects

4-H Projects typically begin at the club level however, if there are no volunteers leading such projects, the option to open a popular project to the county level allows others to interact and meet members from other clubs who have similar interests. Countywide 4-H projects are available to any active Tehama County 4-H member. These projects have their own schedules and meeting dates and it is up to the member to keep informed as they do not meet at monthly club meetings. Countywide 4-H projects must be approved annually by our county 4-H Program Educator upon completion of a Countywide Project Info Sheet on file with the UCCE Tehama County 4-H Office. Interested in starting or continuing a Countywide 4-H Project? Request a Countywide Project Info Sheet by emailing slseverson@ucanr.edu.

Countywide Equine Project

EEEHAH!! We are pleased to invite 4-H members to join the Countywide 4-H Equine Project. Meetings will be held at the Tehama District Fairgrounds arena beside Pauline Davis, from 4-6PM, on Mondays - 11/2/20, 11/16, 11/30 and 12/14. This is both a horse and horseless project. We plan to ride at every meeting, but welcome those without horses to come and learn. Sometimes we can share our rides or provide extra horses. We will be covering equine health, rider safety and equipment, as we exercise best practices for both horse and rider in our preparation, on ground and in saddle, for FAIR. Helmets and social distancing will be required to stay safe! *A form required by the fairgrounds will need to be signed at EACH meeting by ANYONE on the premises; participants, parents, and leaders alike.* For updates on meetings and reminders to improve horsemanship, please join "Countywide 4-H Equine Project" on Instant Messenger! Thank you, Kathy Zablan and Pat Genesci.

2020-2021 Volunteer Training

All 4-H adult volunteers are required to complete online training courses in eXtension in order to volunteer with 4-H youth. You may complete the online new or returning training at your own pace via https://campus.extension.org/ by using "Tehama" with a capital 'T' as your key code. Once completed, please send Spring Severson your completion certificate at slseverson@ucanr.edu. The eXtension training sessions are interactive and most volunteers have no problems accessing and completing the training, if you do run into issues, be sure you are using a PC. If you are still having issues, contact the UCCE 4-H Office for suggestions.

Food Safety Training

Food Safety training is **required** for all groups who are involved with food service/prep where the general public is involved; this includes all fundraising, project meetings, and community service activities. Any club anticipating involvement in these activities must have at least one volunteer complete this training. The training is available online at http://ucanr.edu/sites/MISKIS/Intro/ **Please send a copy of your post-test to the UCCE/4-H Office as proof of completion**.
