

Tehama Walnut Day

January 20, 2017

AGENDA

Welcome to our 23rd annual Walnut Day here in Tehama. Feel free to ask questions throughout the program. There will be a time period at the end of the final presentation to speak with the presenters. We'd like to "Thank You" for taking time out of your day to come and join us, to gain information and perspective from leaders in the walnut industry. As always, we welcome you to stop by the Cooperative Extension Office to meet our staff and talk with our advisors, we look forward to serving you.
