Tehama Walnut Day

—Postponed to March 3, 2022—

Due to the current COVID levels, **we are moving the Tehama Walnut Meeting back one month from February 3rd to March 3rd**, in hopes the COVID rates will have declined to safer levels to meet indoors. We are remaining hopeful and doing everything we possibly can to make this happen. Our utmost concern is for everyone's safety and will be doing everything we can to provide a safe in-person meeting!!

If you have already registered you need do nothing further, as we will keep the current list. If you have not yet registered we will be opening up registration after February 7th. If you had previously registered and *not* able to attend on our new date of March 3rd, please let us know so we can adjust our meal count.

Thank you everyone for your patience and understanding as we navigate these uncharted waters!! We know you are as anxious as we are to all be able to meet again, and we are hopeful for March 3rd! We will keep you posted as March 3rd approaches closer.

Please stay safe!!
